League Philosophy

It is the goal of this program to 1) Familiarize young participants with the fundamentals of football, 2) To provide them with the opportunity to play in an organized and supervised environment; and to teach them that academic and 3) to teach them the academics athletics should be a joint, communal effort. We will strive to instill the concepts of good sportsmanship and teamwork, while building confidence, respect for one's self and one's opponent and discipline. These value propositions are expected from not only the players, but also from the parents, families and spectators.

Divisions
